

RISK DISCLOSURE STATEMENT

1. Products Nature and Risks

Trading Spot Forex on margin carries a high level risk, and only be suitable for professional investors and legal entities. The online trading platform of MF allows client to trade on leveraged basis. The high degree of leverage can work against client as well as for client. A relatively small market movement may have a proportionately larger impact on the trading account. Client may sustain a total loss of initial margin funds and any additional funds. So speculation in the Spot Forex market should only be conducted with risk capital that its loss will not significantly affect client's personal or company's operation. If client has any doubts, client is advised to seek advice from independent financial advisor or other professional.

2. Market Opinions

Any opinions, news, research, analyses, prices, or other information contained on this website is provided as general market commentary, and does not constitute investment advice. MF will not accept liability for any loss or damage, including without limitation to, any loss of profit, which may arise directly or indirectly from use of or reliance on such information.

3. Internet Trading Risks

There are risks associated with utilizing an Internet-based deal execution trading system including, but not limited to, the failure of hardware, software, and Internet connection. Since MF does not control signal power, its reception or routing via Internet, configuration of your equipment or reliability of its connection, we cannot be responsible for communication failures, distortions or delays when trading via the Internet. MF employs back up systems and contingency plans to minimize the possibility of system failure, and trading via telephone is always available. You are encouraged to use the designated dealing hotlines when the Internet trading platform is unavailable. However, the dealing hotline may be overloaded and your phone calls may not reach the designated dealing staff.

4. Accuracy and Disclosure of Information

The content on this website is subject to change at any time without notice, and is provided for the sole purpose of assisting clients to make independent decisions. MF has taken reasonable measures to ensure the accuracy of the information on the website, however, does not guarantee its accuracy, and will not accept liability for any loss or damage which may arise directly or indirectly from the content or your inability to access the website, for any delay in or failure of the transmission or the receipt of any instruction or notifications sent through this website. MF is not intended to use this website for distribution, or use by, any person in any country where the provision of such services or investments would be contrary to local law or regulation. It is the responsibility of visitors to this website to ascertain the terms of and comply with any local law or regulation to which they are subject.

5. Market Risk and Online Trading

The trading platform provides sophisticated order entry and tracking of orders. All stop-loss, limit and entry orders are guaranteed against slippage except in extraordinary volatile market conditions. Trading on-line, no matter how convenient or efficient does not necessarily reduce risks associated with Spot Forex trading. All quotes and trades are subject to the terms and conditions of the Client Agreement accessible through this website.

6. Delayed Price Quotation

All of the price quotation shown on the website of MF is delayed price quotation and for your reference only. MF will maintain the accuracy and operation of the price quotation system with all possible measures. You are recommended not to trade on the delayed price quotation and MF will not be liable for the losses incurred in such cases.

7. Demo-Trade Account

You will not be liable for any losses involved in demo-trade accounts provided by MF for the purpose of trade practicing with no fund flows. Similarly, you can not withdrawal any profit or balance from the demo-trade accounts. All demo-trade accounts will only be valid before its expiry dates, which are subject to modification under full discretion of MF.
